TOURNAMENT TIME

June marks the start of the tournament/outing season for SCCC. It is the time of the year when our tee sheet tends to include a variety of tournaments and corporate outings. Although the club's budget depends heavily on booking such events, we very much sympathize with our members when our facility is unavailable to them. Please remember the importance of these events and understand that we make these as least intrusive as possible. Thanks for your patience...

SAVE THE DATES

2nd Annual SCCC Member-Guest
Benefitting the Spearfish Lions Club
Friday July 23rd - Sunday, July 25th

Play for over \$5,000 in prizes
\$1,600 Day Money Payout
Premium Tee Gifts

Introducing the 2nd Annual SCCC
Member-Guest benefiting the
Spearfish Lions Club. The event,
formally known as the Lions Dilly, has
been relocated on the calendar.
Through much diligent planning, the
tournament committee has chosen a
weekend in July rather than the event's
customary August date in hopes of
propelling participation. We are
looking forward to continuing a great
tradition of golf and friendship. There
are many exciting new changes to the
event which we hope will add to the
experience and attract new participants.

Please visit our website or stop by
the pro shop to attain a tournament
information packet.

Pro Shop hours for June will be 6:30 am until dark. Due to maintenance crew time constraints, our first tee time will be at 6:48 am. If you need assistance and the Pro Shop is unavailable, please call Jaime at 645-9822 or Rob at 505-385-5683.

From the desk of your Board Member and Handicap Committee Chairman, Randy Harms & your Head Golf Professional, Rob Kortan:

Some facts about the USGA Handicap System...

- A handicap index represents your potential scoring ability, which is figured by using the best 10 of the last 20 rounds.
- A Course Handicap is the number of strokes it may take to adjust the score back to scratch (0). The number of strokes is determined by using the Course Handicap Table which is posted at every golf course. There are separate tables for men and women. The handicap index is used to determine the Course Handicap based on the tees played and the associated Slope rating of those tees.
- Each USGA member golf course has an assigned course rating and Slope rating. The course rating measures how difficult a course plays for average golfers. The Slope rating measures how difficult a course plays for experts.
- Equitable Stroke Control sets a maximum number of strokes that a player can post on any hole and is incumbent upon that player's Course Handicap. For handicap purposes, a player is required to adjust hole scores when they are higher than the player's maximum ESC number. There is no limit to the number of holes on which a player can adjust hole scores and a player must adjust all scores for handicap purposes, including tournament scores.

18-Hole Course Handicap

9 or less
10 – 19
20 – 29
30 – 39
40+

Maximum ESC on any Hole

Double Bogey

***REMEMBER, a handicap index is only legitimate when all scores (good and bad and tournament) are posted – a golfer's index is directly related to that golfer's integrity.**

Please remember your local fundraising events in June & July:

**June 26th – Yellow Jacket Classic
July 3rd – Mark Larscheid Memorial
July 15th – Realtors for Kids
July 31st – Putting for Preemies**

*All tournament dates/times and details may be found on our website: spearfishcanyoncountryclub.com
