## Member News...

We have decided to extend an offer to those members who have not yet taken the opportunity to join for 2011. If a member chooses to renew their 2010 membership, they will receive two (2) guest passes (valued at over \$100). Also, if a member refers a new member to the club, the referring member shall receive a fifty (50) dollar gift card redeemable in either the pro shop or restaurant & two (2) guest passes - an overall value of over \$150. The new member (providing that they haven't been a member in the past five years) is able to take advantage of the new member special (explained in the box below).

We would like to welcome SCCC's newest hire and your Food & Beverage Manager, Josh Suda. Josh has an extensive level of experience in both facets of our operation. He is an experienced barkeep and spent a lot of his time here last year as an employee in the restaurant. He also loves the game of golf and has been a member for the last several years. We welcome him and look forward to some very positive changes in the Clubhouse. Come check it out - the business has a new look and new attitude.
