REMEMBER... Your Early Payment Incentive??

You may recall that a new and exciting early-payment incentive was offered in the form of a \$100 gift card redeemable in either the pro shop or clubhouse. We have noticed that many of these gift cards remain unused. We want to offer you a friendly reminder that the \$100 gift card must be used by October 31, 2011. After that date, the gift card will expire and any remaining balance will not be available for use. We urge you to take advantage of your incentive and enjoy the many products and services available at SCCC.

Pro Shop hours starting 10/15 will be 8:30 am until dark. If you need assistance and the Pro Shop is unavailable, please call Jaime at 645-9822 or Rob at 505-385-5683.

Fall is here! Remember that you can always hang out in the coolest place around...Fairway Junction Bar & Grille - where you don't have to play 18 holes to enjoy the 19th! Come discover what many already know...your clubhouse is the best kept secret in town.

Whether it's a special function with a custom menu, a business lunch, a family dinner, or beers and apps after golf...Fairway Junction is the clear-cut answer to satisfy your needs. Daily specials and a very versatile menu compliment one of the largest beer selections in town.

We invite you to come down to the club, check out the atmosphere, and enjoy the service from the very courteous staff.

Please understand that given the fact that we are now in the shoulder months of the season, our hours of operation will be weather-based and will coincide with the hours of operation in the pro shop. The exceptions will be Wednesdays, Friday evenings, and special events.

Remember to speak to Josh about booking the Clubhouse for special events and Holiday parties!!! 717-4655

All members are encouraged to attend the 2011 Annual Meeting. It is scheduled for Thursday, November 10th at 6:30 pm. with complimentary hors d'oeuvres beginning at 6:00pm. It will be held in the Clubhouse.

This year's agenda includes the election of 2 board members, a review of the year's financial statements and the approval of the 2012 budget. If you are interested in serving on our Board of Directors, please speak with a current Board member or Rob or Jamie.

Why Must We Wait For FROST??

- 1) Frost is basically frozen dew that has crystallized on the grass, making it hard and brittle. A grass blade is actually 90 percent water, therefore it also freezes.
- 2) Walking on frost-covered greens causes the plant to break and cell walls to rupture, thereby losing its ability to function normally.
- 3) When damaged, the putting surface weakens and becomes more susceptible to disease and weeds.
- 4) One foursome can leave several hundred foot-prints on each green, causing extensive damage.
- 5) A short delay while the frost melts can preserve the quality of the greens and prevent needless repairs.
