March Madness

After a long, golfless winter in Spearfish, we kicked off March with Sun and Fun! The back 9 saw a little action on March 1st. Eleven members stretched their legs and tried to find their dormant golf swing. Hopefully the snow is gone for good and we will all be enjoying the course soon.

The pro shop receiving season begins this month. We have new NIKE bags and shoes. AHEAD and KATE LORD shirts and outerwear. Big Packages arrive daily. Come in and check out the new merchandise!

Tournaments dates will be secured in March. Tournament packages include player fees, lunch or dinner, scoring services and cart fees. Golf tournaments or outings are a great addition to family reunions, employee parties, corporate outings and even birthday and bachelor parties.

March Regripping Special is back. ANY in stock grip installed for **ONLY \$6 EACH!**

At this year's PGA Show, I thought Callaway had the product that was the most innovative. Callaway is marketing a driver that comes with interchangeable shafts. You just screw them in. So, you could buy a shaft that helps the ball go high and another shaft that helps the ball stay low. In order to play by the rules, you cannot interchange the shafts during your round. You would have to choose what shaft you want to play for the round and then just screw it in. I'm sure the other big club companies will follow this new technology. Pretty Cool! So many options!!

Golf Quote of the Month:

"The greatest thing about tomorrow is, I will be better than I am today. And that's how I look at my life. I will be better as a golfer, I will be better as a person, I will be better as a father, I will be better as a husband, I will be better as a friend. That's the beauty of tomorrow. There is no such thing as a setback. The lessons I learn today I will apply tomorrow, and I will be better."
