Monday's Couples Night

The 2007 Couples Night ended with a bang ... as Jim Haivala aced the 2nd hole during the Couples Grand Finale on Sunday, September 2nd.

Fifteen couples played the 18 hole event which was comprised of 9 holes of best ball and 9 holes of alternate shot.

Anne & Steve Vosler took the honors for low gross with a 79 and Deb & Bill Bomberg were the low net winners with a 63.

We personally wanted to thank all of this year's participants at Monday Night Couples ... there were over 50 different couples during the summer ... and a special thanks to Dean and Mary for their extra help this season.

We are looking forward to another year of fun and great food in 2008.

Deb & Bill Bomberg
